
English:

Ambu Lifekey is a protective single-use mask with a one-way valve for mouth-to-mouth or mouth-to-nose resuscitation.

1. Unfold the mask.
2. "PATIENT" facing the patient.
"RESCUER" facing the rescuer.
Position on the patient's face.
3. Place loops behind ears of the patient.

**Mouth to
nose**

**Mouth to
mouth**
