Description

BRUXELLES TABLES

- Hydraulic - blue
- Standard 68 cm
- SWL (Safe Working Load) 250 kg

Examination and treatment table with high stability. Height adjustment by hydraulic piston. One mobile section, gas-spring supported adjustment of the head-section (with mouth-nose hole) and fixed leg-section. The large head-section can be adjusted positively and negatively and serves as back-rest. Sturdy frame with all moving parts having self-lubricating components to avoid early wear and noise. Power 230 V - 50/60 Hz.

The padding is in medium-density foam covered with high quality fire retardant vinyl

The laterally open frame permits the access with patient lifting system or trolleys

Made in Italy.
