

TO WHOM IT CONCERNS

Ref.:

Nove Mesto nad Váhom, May 22, 2020

**DECLARATION of NON-COMPLIANCE
with the EU Medical Directive**

Dear Sir, Madam,

Ultrasonic baths, are devices for cleaning (medical) instruments, without sterilization of the instruments.

This makes an ultrasonic bath a device that does not comply with the European Medical Directive but with the Low Voltage Directive.

The ultrasonic baths and the accessories concerned are listed in the attachment of this letter.

Yours sincerely,

BRANSON ULTRASONICS a.s.

Felix Ninis
Sales Engineer
Commercial Products Europe, Africa and Middle East
