## EU Type Examination Certificate

No. CE 781388

#### **Packaged variants**

In addition to the products referenced on this Certificate the standard industrial products may also be sold as market specific packaged variants. Such variants will be differentiated and the Technical File(s) will be updated with the appropriate information.

### **Kits and packouts**

The products referenced on this Certificate may also be combined with other 3M products into a kit or packout. There will be no change to the product but the User Information may vary, in such instances the applicable Technical File(s) will be updated with the appropriate information.

#### **Certificate Administration Details**

Technical File Reference: 3M TF0700

#### **Certificate Amendment Record:**

Issue date	Comments	<b>BSI Review No.</b>
January 2023	First issue. Models previously covered by CE 682245.	2797:23:3793639

#### **Certificate validity**

The Certificate holder is responsible for ensuring that the Notified Body is advised of changes to any aspect of the overall process utilised in the manufacture of the product, failure to do so could invalidate the Certificate in respect of product manufactured following the introduction of such changes.

The validity of the Certificate for the products is also dependent on the maintenance of the EU Conformity to Type based on Quality Assurance of the Production Process, Annex VIII (Module D), as referenced on BSI issued Certificate CE 595701.
