

CORE-SCRUB WITH CHLOREXIDINE 4% (at 20% concentration)

Scrub brush/with sponge used for hand cleaning disinfection.

Description

Scrub brush with antiseptic solution, single use, used for hand and forearm disinfection of sanitary personnel. Contains 20 ml antiseptic soap and nail cleaner.

Indications

Device made off a scrub brush, a sponge glued at the base and comes provided with nail cleaner. Used for disinfection of sanitary personnel and surgeons' nail, fingers, hands and forearm, participating in surgery. Exclusively for external use and on healthy and unhurt skin. Used in preoperative areas only.

Precaution

Avoid contact with eyes. Do not swallow. Do not use any package with presents sealing. DO NOT USE ON ANY OTHER PARTS OF THE BODY WHICH ARE NOT INDICATED IN THE PRESENT FILE.

End-user

Sanitary personnel only.

Warehouse

To be protected from humidity and direct exposure to sunlight, store at max 40°C.

Instruction of use

- Open the individual wrapping, where written "OPEN"
- Distribute the antiseptic solution equally on hands. Use the scrub only for nails and between fingers. Use the sponge for the skin areas.
- Brush and use sponge to disinfect starting from fingers, ending before reaching elbows. Take special care of areas between fingers and nails.
- Clear hands and forearm with running water holding up hands always higher than elbow. The entire procedure lasts 5 minutes.
- Discard scrub brush after use, as by residual protocols and local law application.

**TECHNICAL PROPERTIES**

Material used	BRUSH: PLD polyethylene SPONGE: Polyurethane – medium high density NAIL CLEANER: PET			
Formula	Components sentences Chlorhexidine digluconate at 20%	Concentration % 4%	No. CAS 18472-51-0	Risk R36
Certificates	PMc Ministry of Health Italy: n° 19575 in compliance at 98/08/CEE			
Scrub brush dimensions	Length: mm 80 Width: mm 50 Height: mm 40			
Nail cleaner dimensions	Length: mm 65 Width: 5 to 10 mm			
Packaging	Boxes of 270 pcs – EWCS270P. 9 dispenser of 30 pieces; total: 270 pieces per outer box			
Pack	Single piece of scrub brush with 20 ml antiseptic solution with nail cleaner, in thermoforming pack			
Expiry Date	36 months
